WELCOME TO THE DIXON MAY FAIR 2023 PARADE!

Welcome to the 2023 Dixon May Fair Parade! The Parade Committee and the Dixon Chamber of Commerce would like to invite you to participate in the 146th Annual Dixon May Fair Parade on Saturday, May 13, 2023. The Dixon May Fair Parade is the oldest state affiliated parade in California and is one of the most colorful of its kind.

This year's Parade Committee has been working diligently to provide you with the best parade around. We encourage you to incorporate this year's theme, "SPRING HAS SPRUNG" into your entries. The Pacific Coast Judges Association and the California State Horsemen's Association will judge all entries... the more creative, the better!

Please read the application thoroughly to ensure that you completely understand the requirements and enjoy your parade experience. That way, you won't miss any important deadlines; you'll have everything you need on parade day; and you won't have to worry about being told at the last minute that what you have prepared doesn't meet the requirements. The following rules and requirements are designed to make the parade safe, enjoyable, and entertaining for all.

DON'T KNOW WHAT CATEGORY OR CLASS TO ENTER YOUR UNIT IN?

Follow these simple guidelines...

Senior category is 14 years and older (one 14 year old in a group constitutes a senior unit).
Junior category is 13 years or younger.

A float is any fully decorated structure/vehicle that depicts the parade theme. Each float must be decorated over 90% or more of the unit, including truck cab or tow vehicle. Floats are judged on design, including balance, artistic imagination and the effectiveness of color combinations. Materials and workmanship are considered, as well as the presentation of a theme and overall appeal. The manner of propulsion (i.e. towing vehicle, self-propelled) is regarded as part of the float's appeal, as well as the personnel and costuming that enhance its presentation. **A MAXIMUM OF 2 VEHICLES (Towing vehicle and float) ARE ALLOWED FOR EACH FLOAT ENTRY.** (Please see below for decorated auto description as many confuse these two categories)

Sports Leagues such as Little League, Softball and other groups with multiple entries or units must fill out an application for each entry or unit. The first entry (one tow vehicle and one trailer or one vehicle) shall pay full price, and any additional entries (one tow vehicle and one trailer or single vehicles) shall each pay a \$10 fee. The entries will be placed in consecutive order in the parade.

A decorated auto is a vehicle that is less than 90% decorated and does not depict the parade theme. (Please see above for float description as many confuse these two categories)

Novelty entries are judged for their entertainment value and appeal. Care in the entry's preparation, community involvement, consistency of theme, personnel, and costuming are considered. Marching units and other units who do not have a category that corresponds to their unit often enter in this category.

Drum Major is an individual performing as a leader or drum major of a marching musical group. Drum Major with a junior high, middle, or elementary school band is a junior Drum Major.

A Car Club is an organization with 3 or more vehicles that are judged as a single entry. The maximum number of vehicles allowed in the Car Club category is 10 vehicles.

If you do not want to be judged, you should enter your unit in the non-judged category.

Please be sure to describe your entry in detail on your application so we know what to expect (see "Describe your entry" section on application form). **YOU MUST INDICATE THE NUMBER OF PEOPLE, VEHICLEA, OR HORSES IN YOUR ENTRY ON THE APPLICATION.**

PARADE ROUTE

The parade will move out of East C Street onto North First Street heading South towards the May Fair. The route will turn left on East Chestnut to the disbanding area at Hall Park. Each entry must complete the entire route before disbanding.

SELECTION OF ENTRIES

Entries are selected to provide a varied, entertaining, colorful, and exciting parade. The Parade Committee will give priority to fully decorated floats, marching bands, costumed/performing novelty or specialty groups, and equestrian units. In the event more entries are received than can be presented in the parade, selection will be based on information in your application form. Please be as descriptive as possible when you fill out the form.

PARADE LINE-UP

Due to a high volume of special requests (for example: to be placed at the beginning of the line-up, splitting entries so children can be involved with both entries, etc.) we will take applications on a first-come, first-served basis and after receipt of payment and will place entries accordingly.

All requests should be noted on the applications – no verbal requests will be accommodated. The parade committee will attempt to accommodate as many requests as possible. Please keep in mind that the first several spaces are always reserved for our Marshal's, dignitaries and special guests. Also note that we try to rotate units around each year so they are not in the same place every year. Please see "Confirmations" section for more details on receiving your line-up number and staging location.

GENERAL RULES FOR ALL ENTRIES

- All entries must follow directions from authorized parade officials.
- All entries must be decorated or costumed and relate to the Parade Theme: “SPRING HAS SPRUNG”.
- All entries should travel at a constant speed of 3-5 mph. and should keep a distance of 15 feet between their unit and the unit ahead of them.
- This is an all-forward-motion parade. Performing groups should choreograph routines to maintain forward motion at the parade pace. No slow cadences allowed. Any unit that stalls the parade will be given penalty points or disqualified. (This includes stopping at the start of the Judging area).
- **PASSING OUT OF ITEMS OR THROWING ITEMS FROM UNITS ALONG THE PARADE ROUTE IS STRICTLY PROHIBITED. YOUR PARTICIPATION IN NEXT YEAR’S PARADE WILL BE DENIED IF YOUR GROUP IS IDENTIFIED AS HAVING IGNORED THIS REQUEST.**
- Parade goes on rain or shine. All units must prepare for rain or cold as well as sun and heat. Unless the parade is canceled by the Parade Committee, all units will be expected to perform, and no entry fees will be refunded.
- All entrants must conform to the description stated on their application. The parade committee reserves the right to re-classify applicants. If you have changed the makeup of your entry, please call, and let us know. For example, if you are going to have a group of marchers in place of a float, we need to know this in order to allocate enough space in the staging area as well as reclassify your entry so there is no confusion for the judges or officials. This should be done at least two weeks prior to parade day.
- Units with sound or unusual noise must indicate so on the entry form. No offensive music may be played during the parade.
- Judging will be done by the Pacific Coast Judges Association and the California State Horsemen’s Association. The CSHA rules will apply to the entire parade session. Parade units can only compete in one category. Each unit will be judged on its overall presentation and the judges’ decision will be final. The distance for competition is 100 feet, with the judges’ stand on the left side of the line of march. The judging area will be clearly marked with start and finish lines.
- All entrants will be checked before entering the parade line. Any entry that does not conform to its application, or all rules outlined in this application, will be disqualified and may not be allowed into the parade and entry fees will not be refunded. Entries depicting violence, drugs, illegal activities, or otherwise deemed inappropriate on parade day will be disqualified from judging, will not be allowed into the line-up and entry fees will not be refunded.
- Parade participants may not jump onto or off of any unit and may not interfere with any other unit in the parade.
- Drivers of automobiles in the parade must have a valid driver’s license.
- Alcoholic beverages are forbidden on any float, in any vehicle, or on the person of any participant. Participants consuming alcohol prior to or during the parade will be removed from the line of march.
- Points may be lost for the following infractions: Throwing items from unit, delay of parade, not observing all forward motion.

- Floats are recommended to have handholds or barriers to secure riders in the event of sudden stops or starts. Seating on floats should be attached to the float bed. All floats must carry a fire extinguisher to be ready for emergencies.
- Autos may not “stall out” in front of the judges stand to show off their car; they must keep forward motion at parade pace throughout the entire parade. Penalty points will be given for any group that stops or stalls out. Auto clubs with more than six cars must drive 2-cars wide. **NO BURNOUTS ARE ALLOWED AND WILL RESULT IN DISQUALIFICATION.**
- All musical groups are required to play through the entire parade route. Penalty points will be applied for insufficient playing time. All bands should choreograph their performance for all forward motion even at judges’ stand.

CONFIRMATIONS

Confirmations will be emailed approximately **ONE TO TWO WEEKS** prior to the parade. You will be sent maps, last minute instructions, reminders and check in time. You will be given your line-up number when you check in the morning of the parade at City Hall. No information will be given out prior to parade day concerning your line-up number or placing. No changes will be made to the line-up after it has been printed and sent to the judges.
